Dear Clerk,

I am currently awaiting a decision on a Certificate Of Appealability ("COA") in the above-reference case and have been waiting for awhile now. I am scheduled to be removed from the United States on October 6, 2006, due to the conviction being attacked in the above-reference case. (See enclosed copy of Notice of Intent To Execute Removal Order).

Could you please advise me as to the status of the COA in the above-reference case.

Your time and assistance is very greatly appreciated.

Sincerely,

ORDER**

This is an immigration case in which Raul Goncalves-Pereira ("Petitioner"), a native and citizen of Portugal, petitions for review of a May 18, 2006 order of the Board of Immigration Appeals ("Board") affirming an immigration judge's decision ordering Petitioner removed from the United States on the basis that he is an alien who was convicted of an aggravated felony. Previously, on April 10, 2006, the Court denied Petitioner's motion for a stay of removal. Briefing has now been completed. Respondent hereby gives notice that the Department of Homeland Security, Immigration and Customs Enforcement, has scheduled Petitioner to be removed to

his native country on October 6, 2006. Notice has been served on this day on  
Petitioner.

Respectfully submitted,
